

# Voyager PRO UC

## Unify communication between PCs and mobile phones from a single headset

Seamlessly switch between PC and mobile phone calls with Plantronics Voyager® PRO UC. By incorporating state-of-the-art AudioIQ<sup>2</sup> and three layers of WindSmart® technology, voice quality is crystal clear—even in the noisiest environment. Portable and perfect for professionals in the office or on-the-go, the Plantronics Voyager PRO UC is the most advanced noise-canceling Bluetooth® headset available.

### Key features

#### Phenomenal sound

- Dual noise-canceling microphone filters out noise
- AudioIQ<sup>2</sup> keeps calls clear regardless of the environment
- Digital Signal Processing (DSP) provides more natural voice sound
- Wideband for best PC audio telephony
- WindSmart technology reduces disruptive wind noise

#### Superior call management

- One button call control manages PC or mobile calls
- Call alert notifies user of incoming calls
- Multipoint technology for call switching from headset
- Freedom to roam or multitask, hands-free up to 33 feet

#### Backed by Plantronics global service and support
